## A ROMANCE OF CRIME.

Particulars of the St. Louis Double Tragedy-The Ruse of a Desperate Man and a Weary but Loving Woman-Meeting Death Cleerfully-The Letter of the Murderer and Sui-

A brief telegram in the Dispatch yesterday morning stated that Monday, in the court-room at St. Louis, John C. Parker, spirit of lawlessness, robbery, and murder en trial for murder, shot and killed his wife and then sent a builet through his own brain. The Herald's St. Louis spe.

an evil reputation. He was arraigned to-day to stand trial for the murder of Mi-arrest and punish the criminals was attendnoulder by trade, and for years had borne chael Payton, a baker, whom he had stab-Christy avenue, on the night of August 20,

THE DEVOTED WIFE. Nellie Parker, the young wife, whose sedy now lies at the morgue, was a slight, orcity, and delicate little woman, Though family is not wealthy, her social pos tion was so much better than her husband's that their marriage about two years ago made quite a local sensation. Her devotion to the man of her choice, rough and desperate as he was, was known long before the tragedy of to-day. Ever since Parker's arrest the frail form of the young wife has been constantly seen about the jail, and the sympathy of all employed about the jail was her's. Every moment that the regulations permitted she spent in his company, often bringing their infant with her, murderer's affection for the devoted little creature seemed unbounded, and it was noted as his only redeeming leature.

IN COURT. His trial, as has been said, was set down ing to him and the gentleness with which he replied to her. While they were conversing, Governor Charles P. Johnson, his "The hanging of these seven men has in leading and the sisters following. THE BUSE.

sion with some interest; but, save the wife and husband, no one knew that it was a procession to death for two of them. Yet such it was. To the rough decrease. The spectators gazed at the little processuch it was. To the rough, desperate fellow it was the way to deliverance, even through the grave. But to the little creature by his side it was such a test of willpower that it can hardly be measured. She knew that he was going to kill her; she had agreed to die at his hands. He had the weapon of fate deftiy concealed. Charles to the deftiy con-Clinging to despairing at heart, but calm of face, was she passed on with him and entered the by jury-room. Life closed upon her as the desperate man and woman weary of life. THE DOUBLE DEATH.

his last. The tragedy was over. THE WEAPON.

defend himself, because she had been told that the brother of Payton, for whose murder Parker was to have been tried, had threatened to kill him on sight.

THE MURDERER'S LETTER.

all, and especially Tom Callahau.
This is bard, but determination is still harder. I am determined to carry out my plan, and I have to do it mighty slick. You will see that for yourself. The party who gave me the pistol is ignorant of what I amabout. I have to tell him so many lies to accomplish my desire, but I cannot help it. Give Mr. Obey Owen his overcoat; it little boy for me, and I hope you may both

Good night, and God bless you both. JOHN C. PARKER. You must excuse this bad writing and had spelling.

So may this spark of vital flame Forsake its languid melanche by frame; Soon may eves their trembling in are close, Welcome the dreamless night of long repose; Soon may this worn-out spirit seek the bosom Where lufled to dumber grief forgets to moan.

A North Carolina Tragedy. A Raleigh dispatch reports a horrible tragedy at Williamston, N. C., Friday last, participants being a father and son-g Grittin and Simon Griffin. King Griffin, the father, was coming from the father with an axe, when the old man retreated to the house, picked up a gun, and discharged its contents into Simon's breast, killing him instantly. A coroner's jury returned a verdict of "self-defence." It is generally believed that domestic troubles

Ten Men Lynched.

A St. Paul telegram of the 5th says : The Butte Inter-Mountain, a paper published in Western Montann, has the following account of the lynching of ten men by vigilants, which, although it must have oc-curred more than a week ago, has not been heard of by telegraph. The lynching oc-curred at Weeksville, a new railroad point near Missoula:

"Less than three days ago, it will be remembered, 'Billy the Kid,' well known in Butte, was captured, shot all to pieces, and thrown into the river, but last Sunday was the bloodiest red-letter day ever known at the terminus. For many weeks past a the robbers were so potent that it became own brain. The Herald's St. Louis special gives the particulars of the trzgedy, the motive that led to it, and the circumstances surrounding it, as follows:

John C. Parker, the murderer, was a John C. Parker, the murderer, was a pad entitlement who so greatly output. and cut-throats, who so greatly outnumed with almost certain death to those who and in a drinking-saloon. Fifth street and might otherwise have been willing to aid in the enforcement of law and in visiting upon the head of the guilty the proper pen-alties for its infraction. Dire alarm took possession of the business community, and it finally became evident that unles good men were willing to sacrifice their property and leave, it was necessary terminate the existing reign of terror. The courts were paralyzed and their edicts were defied. Urged to desperation by the extremities of the situation, a vigilance committee was organized with great secreand the accessions were soon sufficiently numerous to render its members hold enough to announce their purpose of supno time was lost in carrying out the object of the association. On last Sunday night four desperadoes, known as 'Ohio Dan,' Blondy, Ed. Enright, and another man, were arrested. The first three were hanged without ceremony, and the fourth was con-

verted into a lead depository. "At the 'Y,' another camp two miles for to-day, and he was brought into court west of Weeksville, a similar scene was with several other prisoners. The court enacted. Three men, names unknown, was crowded. The young wife, Nellie, being hanged on the same tree and at the was there, her baby boy in her arms. With same time. When the coach left Weeksher were two of Parker's sisters. She ville, so a lady passenger stated to Mr. seemed calm and even cheerful, and as Hart, the bodies of two men were still seemed calm and even cheerful, and as soon as she could manage it crossed to the barred cage where he was confined, and leaned against it talking to him through the grate. Attendants made way for her and noticed the affectionate nature of her greet- ed, having been thus left by the avenging

may know how much they contribute to-The advertising of official notices has been the source of many abuses, and the enactment of some general law is recom-mended requiring public advertisments to be inserted in the newspapers of the largest circulation. The public money should not be used to subsidize the channels through which the people learn to a good extent how their servants execute their trusts.

The Governor also calls attention to a measure already before one branch of the Legislature, providing for the settlement of disputes between employers and employes. The law should most lealously and rigidly guard the interests and protect the rights of those who labor for wages. The Governor then suggests the practicability in many instances of a provision being made requiring employes to give a certain timely notice to their employers before quitting work on account of a refusal to be inserted in the newspapers of the largest BAILEOAD BONDS

quitting work on account of a refusal to increase wages, and the employer to give a similar notice to the laborer before reducing pay.
With regard to the apportionment of the State the message recommends that the subject should not be made a question of zeal, and that all sections and interests shall be given a fair and just representation, in accordance with the plain spirit and intent of the law.
